

FOR YOUR HAIR.

Here Are Facts We Want You to Prove at Our Risk.

When the roots of the hair are entirely dead and the pores of the scalp are glazed over, we do not believe that anything can restore hair growth.

But, when the hair roots retain any life, we believe there is nothing that will so surely promote hair growth as will Rexall "93" Hair Tonic. To prove that statement, we promise to promptly return all the money you pay us for Rexall "93" Hair Tonic, should it not please you.

Rexall "93" Hair Tonic destroys the germs which are usually responsible for baldness. It penetrates to the roots of the hair, stimulating and, by promoting circulation, nourishing them.

Rexall "93" Hair Tonic helps to relieve scalp irritation, to remove dandruff, to prevent the hair from falling out, and to promote an increased growth of hair. It comes in two sizes, prices 50 cents and \$1.00. Remember, you can obtain it only at our store - The Rexall Store. Z. T. Hinds, Cookeville, Tenn.

Oklahoma City, Oklahoma
Say, you pedagogue down in Georgia, make those children keep quiet—I'm about to think an idea.

Thanksgiving was duly observed here The Christian Endeavor held a sunrise prayermeeting at the First Presbyterian Church. Later in the day the pastors of the city held a union service there.

We have had some real winter the past month. These cold spells do not last but a few days. It is fine again.

The bank clearings of the city for November were \$9,000,000.

Plans are afoot to establish a large cotton mill here. They are well backed by local and eastern capitalists.

The First Christian Church will be dedicated Sunday. A house warming will be held all next week, different departments of the church being responsible for each night. This is one of the city's prettiest churches. It cost about \$125,000.

The business and public buildings now under process of construction here represent almost two million dollars, and yet we are told this is an exceptionally hard year.

Oklahoma is winner again. This time it is her State University sons that have taken the championship in football over Missouri, Kansas and Texas.

The State Teacher's Association meets here Dec. 27-29. Some of the nation's best talent will be here at that time, among them being Dean Walter Williams of Missouri University, Dr. Henry S. Curtis of Worcester, Mass., State Superintendent Joyner of North Carolina, and others.

Sunday, December, 3rd, regular service was inaugurated on the El Reno Interurban car line. El Reno is a small town about 30 miles west of here and hourly service will be maintained. This line will be of great help to market gardeners.

I want to thank each one that remembered my birthday. I certainly did enjoy your cards. My best present was this pen I'm writing with, a beautiful Waterman pen given by my Christian Endeavor Society.

I was out of the city for about three weeks and thus delayed most of my cards. I was out on business for the newspaper I work for and while at Lawton I heard the youngest ordained minister in the United States, Rev. W. C. Brann, son of the late W. C. Brann editor of the Iconoclast. Mr. Brann is 20 years old. He is a Presbyterian minister.

All right Pauline, I'll come bye and bye.

DOWNWARD COURSE

Fast Being Realized by Cookeville People

A little backache at first. Daily increasing, till the back is lame and weak.

Urinary disorders quickly follow; Diabetes and finally Bright's disease. This is the downward course of kidney ills.

Don't take this course. Follow the advice of a Cookeville citizen.

D. H. Witt, of Cookeville, Tenn. says: "My back pained me intensely, especially when I stooped or lifted and when I got up in the morning I was extremely lame. I tired easily, felt languid and nervous and had frequent headache My sight often blurred and I noticed a sediment in the kidney secretion.

At night I had to get up to pass the kidney secretion and thus my rest was broken. Hearing about Doan's Kidney Pills I began their use and the contents of one box completely and permanently cured me. I strongly endorse this remedy to any one who is afflicted with kidney complaints."
